AUREA control plate

DESCRIPTION

Inspired by the golden section, this geometrically designed control plate suits contemporary bathrooms. The harmony of proportions meets the creativity of colour: the frame surrounding the control panel can be chosen in many different colours.

For those who love to give free rein to their creativity, without giving up the elegance of design.

FEATURES

Features and plus

Dual flush

Mechanical activation

Total flush: 4,5/6 litres (6E model cisterns) or 6/9 litres (9.0 model cisterns)

Partial flush: from approximately 2.5 to 3.5 litres (according to the cistern)

100% Made in Italy
